

The Science and Spirituality lecture series presents

# *WOULD YOU CHOOSE TO LIVE...FOREVER?*

WITH DR. JOHN MARTIN FISCHER

*Just why do so many believe in life after death?*

*Does awareness of our inevitable death give meaning to life?*

*If so, would immortality render life meaningless?*

*How do our beliefs about the afterlife effect how we live?*

*Join us for a revealing and frank exploration into these  
existential questions shared by all cultures.*

*At **The Immortality Project**, Dr. John Martin Fischer  
administers a five million dollar grant dedicated to scientific,  
philosophical, and theological projects that advance our  
understanding of immortality, our beliefs about it, and of how  
each of these effects our lives.*

**Saturday, May 25th, 2013 at 2 PM**

**Johnson Hall**

**Community Center for Spiritual Living**

**Fairmount Boulevard and Ridge Road, Riverside, CA**

**Admission is free, a love offering will be taken**

*This ongoing lecture series discusses a number of amazing findings and  
scientific theories dealing with both the origin and nature of the universe and  
the power of the human mind. Produced by the New Thought Music Festival  
for the benefit of the Community Center for Spiritual Living.*
